

The Unitech MS339 is designed to meet barcode scanning needs at an affordable price.

Supporting all common 1D and 2D barcodes, this high performance scanner is able to read poorly printed barcodes, reads damaged labels and reads digital barcodes from mobile displays (including QR codes) from various types of displays to enhance service levels.

The soft white auxiliary lighting and green aimer deliver comfortable and convenient scanning experience. The stylish and ergonomic design makes the MS339 fit comfortably in any hand, reducing fatigue during long-time scanning tasks.

The MS339 comes all-in-one package including 5 years warranty!

The MS339 is a great fit for a variety of retail and business environments. Its easy plug-and-play set up ensures an easy introduction into your unique workflow.

Features

- The MS339 comes with coiled 2.4m USB-cable, hands-free stand and 5 years direct replacement warranty.
- Snappy performance.
- Decoding Rate 600 times per second
- Adjustable stand design Desk mount, wall mount or adjustable hands-free scanning position.
- Supports USB/HID, USB/SPP, RS232 and OPOS.
- Reads poorly printed barcode and from mobile screens.
- Ergonomic design and comfortable grip.
- Supports Trigger and Auto-sensing mode.
- Durable design: 2.0 Meter drop test and IP52-rated.

Operational & Performance

Receiving Device Imager sensor, 1280 x 800 pixels

Scan Skew ± 70° Scan Pitch ± 75° Scan Roll 360° 1.5m/s. Motion Tolerance 100.000 lux Immunity:

Illumination: 5000K, white LED. Light Source

Aiming: 525 nm peak wavelenght,

green LED.
